

EASTERN SUBURBS CRICKET CLUB (WAVERLEY) Inc.

Established 1894 Headquarters: Waverley Oval
Correspondence to: The Secretary, PO BOX 991, Woollahra NSW 1350
www.eastscricket.com.au | ABN: 580 2188 4546

Job Title: Eastern Suburbs Cricket Club Media Manager

Job Description:

When you hear the sounds of summer do you hear leather on willow? If this sounds like you, then this will be an internship you won't want to miss.

Eastern Suburbs Cricket Club (Waverley) is a part of the sporting and social fabric of the local community. In their life's journey thousands of young men and women have passed through Waverley Oval, its coaching classes, extensive junior competition and senior teams. While some have gone on to represent NSW and Australia, all have benefited from the mentoring provided the club's development system. It is not trite to say that lifetime friendships have been forged at Waverley Oval, something that will continue as long as cricket remains our premier summer sport and is played at Waverley Oval.

Our Club is one of the largest clubs in NSW with more than 750 juniors and 70 senior members participating in the Dolphin uniform each weekend.

To take our brand to the next level we are seeking a highly motivated **PR & Communications Intern**.

Responsibilities:

- Help build the Easts Cricket Club online community via writing posts and writing weekly articles for the website and social media.
- Produce articles for the Easts website and Wentworth Courier.
- Write articles, short stories and social media content for the Easts Cricket newsletters.
- Produce and pitch media releases regarding the Club.
- Coordinate and present 'Dolphin TV', our own informative club channel.

Who we're looking for:

- Ideally we're seeking final year students or recent graduates of PR, communications or journalism, or more experienced writers looking to expand their folio.
- Solid writing skills and have the ability to meet deadlines.
- Autonomous in nature and the ability to take initiative.
- Strong communication and organisational skills.
- Experience with video editing, Photoshop or InDesign and content production an advantage.
- Interest in cricket a plus!
